

# Parts of a Map

All maps have **titles**. The title tells what the map is about.

1. What is the title of this map?

\_\_\_\_\_

\_\_\_\_\_

	coniferous forest		oil and gas
	grassland		livestock
	tropical forest		fishing
	high mountains		forestry
	river		orchards
	boundary		industry
	capital city		shellfish

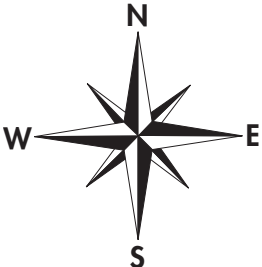

**Symbols** are drawn on maps to show different things. The symbols are explained in **legends**.

2. Circle the symbol for fishing on this legend.

All maps have **labels**. Labels name the lakes, rivers and cities shown on a map.

3. What is the name of the city marked with a star on this map?

\_\_\_\_\_

4. A **compass rose** shows the \_\_\_\_\_ on a map.

5. The four directions are:

\_\_\_\_\_
