

ADDING LETTERS

The aim of this game is to start with one letter and then add letters one at a time to make a 2, 3, 4, 5, etc. letter word. The test is to see how far you can go.

JUST REMEMBER

1. You may rearrange the letters when you add a new letter.
2. You may only add one letter at a time.
3. You may choose the same letter to add more than once.

Here is an example:

A
AT
ATE
BEAT
BEAST
BREAST
REBATES

Here are the beginnings of a few more. See if you can make 6 or 7 letter words:

A
AN
BAN

I
IT
SIT

A
AT
EAT

O
ON
ONE

Try some for yourself.
